Eddie, Danny,

Thank you for your hard work in putting this PPA together. Cypress Creek accepts this version as final and considers the parties in agreement on the terms and conditions of the contract. We are preparing final drafts for the proposed projects:

- Ganymede – 75MWAC

- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]

We are processing these contracts for final internal review and execution, and will get these back to you as soon as possible.

Regards,
David

Subject: SCE&G CCR Draft PPA Docs

David,

Attached is the revised draft PPA based on recent discussions. I have also attached a doc compare vs. the draft that CCR provided, dated 4/19, to assist with your review.

Key points for this draft:

- 1) [REDACTED]
- 2) [REDACTED]
- 3) [REDACTED]
- 4) [REDACTED]
- 5) [REDACTED]

6) [REDACTED]

7) [REDACTED]

As you know, we have limited time relative to our risk management processes, so please quickly identify which projects you may pursue a PPA for under the terms of this draft.

Thanks,

Eddie Folsom
